

PARENT ACADEMY

1ST SEMESTER

2014-2015

PARENTS ARE OUR PARTNERS

Parent Academy Courses Offered

1st, 2nd, 3rd, 4th, and 5th Grade Reading Standards-Winstead

For Winstead families, participants will learn about the standards for reading proficiency.

Common Core Information Session

For K-5 Spanish speaking families, participants will gain an understanding of the new standards for teaching and learning in Wilson County Schools.

Community Resources and Your Child

Parents will learn about the many community resources available to help their child in school.

Community Resources and Your Child (In Spanish)

Parents will learn about the many community resources available to help their child in school.

Donuts With Dads—Stantonsburg

For Stantonsburg families, participants will learn strategies to help their child succeed in school, learn about grading practices, understand the report card, and obtain information about Reading 3D.

ECE Process Update

For K-5 families, participants will learn ways to help their child with reading. Many “hands-on” materials will be shared with parents and/or guardians.

Effective Parent Teacher Conferences (In Spanish)

Designed for K-5 Spanish speaking families, participants will learn how to effectively participate in parent/teacher conferences.

EOG Experience for Parents

Designed for grades 3-5 ECE families, parents can choose to attend multiple sessions at 9 a.m., 12:30 p.m., 3:30 p.m. or 6:00 p.m. to learn more about EOG's.

EOG Readiness and Your Child

Participants will gain an understanding of the challenges of EOG assessments and strategies to help their child.

Getting Off to a Great Start

Designed for families of rising kindergarten students, participants will learn strategies to help with the transition to kindergarten.

K, 1st, 2nd, 3rd, 4th, and 5th Grade Math Standards-Winstead

For Winstead families, participants will learn about mathematics standards and proficiency.

Kindergarten Reading Night-Winstead

For Winstead families, participants will learn strategies to help their kindergarten child with reading.

Learning the Alphabet (Pre-K)

Designed for Pre-K families, participants will learn strategies to help their child with reading.

Math and Science Night

Designed for K-5 ECE families, parents will interact with their child rotating through hands on interactive stations that align math and science standards.

Math, Science and Technology Family Night

Parents will learn strategies that will allow families to learn math and science at home. A "hands-on" night that will emphasize technology and how to use it.

Math is Fun (Pre-K)

Designed for Pre-K families, participants will learn strategies to help their child with mathematics.

Parent Academy Courses Offered

Math Strategies for the Home

Designed for K-5 families, participants will learn strategies to help their child with mathematics.

Muffins With Moms—Stantonsburg

For Stantonsburg families, participants will learn strategies to help their child succeed in school, learn about grading practices, understand the report card, and obtain information about Reading 3D.

Navigating the System

For parents of all students (K-12), participants will learn more about the Wilson County Schools website and using the Parent Portal and being more involved in their child's education.

Parents, You are Your Child's First and Best Teacher

Designed for students of age 4 and 5 students, participants will learn strategies for assisting their child in school. Session is designed for parent and student participation.

Reading Strategies for Parents

For K-3 families, participants will learn ways to help their child with reading. Many "hands-on" activities for parents and guardians to utilize at home.

Reading 3-D and Your Child

Participants will learn about the Reading 3D process and ways to help their child with reading and literacy.

Science, Technology and Math Night

K-5 will learn strategies that will allow families to learn math and science at home. A "hands-on" night that will emphasize technology and how to use it.

Starting the Year Off on The Right Foot

Parents will learn tips for helping students with homework and study habits.

Strengthening Families

Families will increase their parenting skills, reduce the use of physical punishments, improve behavior and grades for children, and reduce family conflict. Each weekly session consists of skill-building sessions and age-appropriate activities. (At Jackson Chapel)

Test Strategies for Parents—Stantonsburg

Stantonsburg families can join one of three sessions (9:00 to 9:30, 12:00 to 12:30 and 3:30 to 4:00) to learn ways to help their child with testing situations.

Title I Annual Meeting

Parents will learn about Title I requirements and practices at the school.

Transitions for 2nd, 3rd, 4th, and 5th Grade Students-Winstead

For Winstead families, participants will learn strategies to ease transitions in grades 2,3, 4 and 5.

Transitions to Kindergarten for Families of ELL Students

For families of rising ELL kindergarten students, participants will learn strategies to assist their child in transitioning to kindergarten. (Open to all district families with Spanish translation available. Snacks, pizza, child care will be provided. (At St Mark's Church)

Understanding U.S. Schools

Designed for Spanish families, participants will gain an understanding of U.S. schools and the practices used in Wilson County.

Using Technology to Help Your Child to Learn

Designed for K-8 families, participants will learn about technology resources and how to help their child to learn.
