ROCKIN' AT THE RIDGE

Rock Ridge is the place to be!

Rock Ridge School is a place where people come together to achieve a common goal – a solid foundation of education and good character for every student. We provide students an opportunity to become independent life long learners with 21st century skills that are critical thinkers and collaborative workers.

Teachers find Rock Ridge a place where they can teach, have parental and administrative support, teaching materials and excellent facilities to enjoy their experience. They are provided with professional development and resources to keep them renewed, and abreast of current trends along with fresh ideas to improve instruction.

Rock Ridge is a school that celebrates our students' achievements all year long.

Outstanding Attendance, Academic Achievement and extra effort are rewarded at the end of each grading period. Students are also recognized when they reach milestones throughout the year.

It's a place where 98-100% of our parents meet the teacher face-to-face at least once during the school year.

Rock Ridge is a Title I school that helps those in need. We offer a clothing and food closet that is used regularly for those in need. There is support from local churches and the Rock Ridge Fire Auxiliary for school supplies and any special needs.

It is truly the place where education is valued and cherished by all of our stakeholders.

Q & A

Where is your school located?

It is located in the community of Rock Ridge in the western part of Wilson County, just eight miles from the city of Wilson.

What is your school's population?
