

Title 1 Meeting Agenda
Elm City Elementary School
Thursday, September 18, 2014
6:30 PM

Parent Involvement Statement:

The staff believes in the total developmental and educational process of developing a successful child. Parent Involvement is so vital in a child's academic success. Their cooperation, input and support in the school helps to enhance an effective school's operations. We believe it is important that parents become shareholders in workshops, meetings, policies, effective communication and the educational process to ensure student success
